

## WELCOME TO WTCAFE!

Dear Parents,

We are thrilled to welcome you once again to WT Café's made from scratch school lunch program for the next school year. Denver Christian has made a commitment to your child's health when they selected WT Café. Our local kitchen team works hard each day to prepare a variety of kid favorite foods using fresh and pure ingredients so you can feel good about the food your child eats during the school day. All monies that were in your account will have transferred over to use for the upcoming school year.

Please see below for instructions on how to participate in the program. Thank you for the privilege of feeding your child!

**New customers:** Go to [www.wtcafeofdenverwest.com](http://www.wtcafeofdenverwest.com)

### HOW TO PARTICIPATE

1. **Go to [www.wtcafeofdenverwest.com](http://www.wtcafeofdenverwest.com)** and click on "Order Now". "Sign Up Now" and follow prompts to set up yourself as the Account Holder. Account Holder is typically the parent or person managing payments.
2. **ADD USERS (students or anyone going to eat at the school!)** to your account and **create PIN codes and use ONLY numbers!** (this is how we will find the student for payment or by name). Users can be children or adults – anyone who may order from WT Café during the school year. Every Account Holder is also a user so you do not need to duplicate as a user.
3. **CUSTOMIZE YOUR MENU** by indicating dietary preferences (allergies) for each user under MANAGE ACCOUNT. Each user's menu will be filtered by these and other preferences that you set.
4. **CHOOSE YOUR MEAL SIZE.** Appetites vary by child and activity level, but generally Preschool is under K, Regular is for grades K-5, and Large is for grades 6-12.
5. **LOAD FUNDS ON YOUR PREPAID ACCOUNT.** Select any denomination you like. Your account will need to be loaded with funds in order for your child or person eating to participate.
6. **MAINTAIN A MINIMUM \$20 BALANCE.** It is your responsibility to maintain a \$20 balance in your prepaid lunch account. Our system is a debit not a credit system, and all meals must be paid for in advance. Sign up for AUTO-RELOAD for one less thing to worry about!
7. **RECEIVE EMAIL CONFIRMATION.** You receive an email confirmation with each transaction. This email also lists your account balance. Please note when your account is low and fund accordingly. Once your child goes through the line and pays, an email will be sent to the account holder indicating what your child chose that day for lunch and the amount of the transaction. How cool is that?!!!!
8. Any questions about setting up your account? Please contact Kim Laga at [klaga@wtcafe.com](mailto:klaga@wtcafe.com).

**Existing customers:** Go to [www.wtcafeofdenverwest.com](http://www.wtcafeofdenverwest.com)

1. click ORDER NOW
2. Use Email Address that was associated with last year's account and request password reset if you have any issues getting in.
3. Use link within password reset email and follow prompts to reset password
4. Login and double check/confirm user information. You'll need to click through a few screens ensuring correct allergy information, drop off information and default meal sizing, **and PIN code**. Save.
5. Load account with funds. You can also set up auto reload at this time.

### **LUNCH MENU AND PRICING**
